Thanks, Jen, but that was not our understanding following the July 15 call. Is class counsel now explicitly refusing to allow adequate time for briefing on this issue? We are happy to discuss an expedited schedule with you, and if we file an emergency motion to delay distribution the court is likely to order us to meet and confer over a briefing schedule anyway.

I am available by phone this evening to discuss (301-602-9536). Otherwise, we request your response by 10amEST tomorrow (07/23).

Best,
Emma

Hi Emma,

Our understanding was that you would try to obtain an order from the court directing us not to distribute reserve funds by July 31, 2020. That is to say, we plan to move forward with reserve fund distribution as soon as possible after July 31, 2020, unless an order is in place at that time.

Take care,

Jen

Hi Jen –

Thank you for following-up on the reserve fund eligibility issue. As we discussed on the Wednesday call, we are preparing to file a motion no later than July 31, 2020, based on Jon's representation that no reserve funds would be distributed prior to that date.

Please let us know if you have any questions.

Best,
Emma

Emma,

As Jon indicated we would during our call yesterday, we checked with our co-lead counsel and we cannot accommodate your request regarding reserve fund distributions.

Take care,

Good morning Emma (and Jen)

I've had a change in schedule, alas, and need to move our call. Would noon work?
